

WRCA at Carriage Roundup

Kentucky Horse Park - June 2008

Here are a few photos from the Kentucky Horse Park Carriage Roundup. We had a wonderful time with friends, making new acquaintances, seeing the dramatic improvements, updates that the Park is doing in preparation for the 2010 games and of course sharing quality time with our horses. We entered the tail gate party and came out winners just like in the "Kentucky Derby" with Big Brown being our theme.
